

About Us

Crust & Core is a café cum training unit of Iswar Sankalpa that is giving a new lease of life to homeless women with psychosocial disabilities. This food is ultra-special as it is made by them, supports them in their journey of living a life with dignity.

*Through training and production,
Wages to earn, a life to yearn
Rising from the ashes of nothing,
To steadily building structures of
hope.*

*A life to live in this society,
One of meaning and dignity.*
