SAKSHAM

VOCATIONAL TRAINING UNIT

Iswar Sankalpabegan its humble journey in 2007 by providing psychosocial assistance to the urban homelesson Kolkata's streets. Our programmes are built as responses to the voiceof the forgotten. Our goal in the rehabilitation, restoration, and resettlement of recovering men and women is to help them earn a living through livelihood training.

Saksham, the Vocational Training Unit at Iswar Sankalpa, was started in 2012. It aims at traininghome-based and homelesspersons with psychosocial disabilities in skills which will help them earn a livelihood, foster self-dependence, and help stay engaged in a dignified manner. Sakshamimparts training in sewing, stitching, decoupage, and making crafts that builds life skills and skills for sustainable employment which empowers our clients in the process.The clients receive a stipendeven during the training period. Saksham not only providesa sustainable economicopportunity but plays a crucialrole in the recoveryprocess of the individuals enrolledin the program.
